TO DREAM THE *IMPOSSIBLE* DREAM

BLUE RIDGE '70

published by
Blue Ridge High School
Lakeside, Arizona

The Place is Blue Ridge High School andthe time is now!!

The '69-'70 school year began with a dream for the impossible--in which much hard work was aimed... And this year the dream lived, not just in our hearts, but in the newspaper and on spirit signs, buttons, and beanies .... Homecoming was the greatest... At first we carefully refrained from assuming that our team would win... But when the Yellowjackets blew the cork off the long bottled enthusiasm, we bubbled and spewed... We could not be defeated... We would not be defeated... For Blue Ridge is Number 1. For our Impossible Dream will live on and on as long as there is a Blue Ridge, our Alma Mater.

H. ALAN ROUSH

We the 1969-70 Cresta Azul Annual Staff, DEDICATE this Annual to MR. H. ALAN ROUSH.

To you Mr. Roush, for your outstanding contribution to all the students at Blue Ridge. Not only to just the students in your classes, but to each individual that has, is, or will ever attend our Alma Mater.

You have touched the lives of our most outstanding students with your supervision over the National Honor Society and Student Council. You have also influenced the many other students of Blue Ridge High School.

To you Mr. Roush for your wonderful teaching. You have the greatest way of interpreting history to young people. In every one of your classes you can't help but learn a new aspect of life.

But teaching isn't everything and you, for one, certainly don't stop there. You have a terrific sense of humor in your teaching. This is such a great thing, not only to the students but also to the other teachers of Blue Ridge. For a person with a sense of humor and a smile and a laugh is certainly blessed.

To you not only as a teacher but also as a family man as well. With your lovely family we are sure your teaching and sense of humor is a major factor in their lives. To your lovely wife Mary Carolynne, and three darling children. Diana Kanani, Debora Kalani, and Dane Vernon.

We thank you Mr. Roush for your life at Blue Ridge. "The highest function of the teacher consists not so much in imparting knowledge as in stimulating the pupil in its love and pursuit."

To the students of BRHS:

This "Cresta Azul" represents a picture-record of your '69-'70 school year - familiar spots on campus - good friends - athletics - organizations - and classrooms where you have labored to master assignments. May you cherish happy memories of this year as one of the most interesting, eventful, exciting and productive of your school life. Though time will pass and each will go his separate way, may there still remain that unbreakable link of "togetherness" when you will recall your personal accomplishments at Blue Ridge High.

This parting word to you: "Not all educated people are high school graduates; nor all high school graduates educated." An educated person is one who is USEFUL to humanity, to his eventual profession, and to himself.

Sincerely,

Pat Murphy

OUR SCHOOL BOARD

Yes, it is "our" school board. What would BRHS be without one? Well let's compare it to a backbone of a human. A backbone is the key to a human, just as "our" school board is the key to the school. The backbone is the support and guidance of a human; isn't "our" school board the same for the school? A backbone controls your whole body; and doesn't a school board do the same for a school? So you see, even if we get mad at our school board remember - it is what keeps "our" school, BRHS, going.

SENIOR FAREWELL

Saying good-bye can be a very difficult thing to do. We the Senior class of 1970 have benefited very much from attending B.R.H.S. We have obtained an education; a possession no one will ever be able to take away from us. We have gained successes, and a few discouragements. We have found many friends, and have learned how to get along with people.

Through all of these we hope to be able to keep right on in life from where we're left off here in high school. We thank each and every one of the faculty, administrators, and school board for helping us through these four important years in our lives.

FOOTBALL BANQUET

The first Football Banquet ever to be held at Blue Ridge was on November 20. The banquet was attended by the Junior Varsity and Varsity football teams along with their fathers. John Symank, head football coach at NAU, was the guest speaker. During the dinner, Danny Marble received most valuable play for the 69-70 football season. The banquet was sponsored by the Athletic Football Boosters Club, along with special help from Harry Fancher & Gene Fritz.

"If thou seekest her as silver, and searchest for her as for hid treasures; then shalt thou understand the fear of the Lord, and find the knowledge of God. For the Lord giveth wisdom, out of his mouth cometh knowledge and understanding." (Proverbs 2:4-6)

Students often question why they are not permitted to assume a more active and decisive role in the "adult world." Answers given are frequently not favorably received by young people. Perhaps some of the answers are not very good ones for today's youth.

I would suggest, however, that the thoughts quoted above from the Bible provide a satisfactory reply to youth. You young people at Blue Ridge have as fine an opportunity as is possible to provide, to develope a "love for learning" that can help you to seek out knowledge while the opportunity continues.

There is much more to learning than school, certainly, but knowledge gained here at Blue Ridge is an important part of your total learning. When knowledge and experience meet, wisdom and understanding are the results. To venture forth into life's responsibilities with inadequate preparation is to presume that wisdom and understanding are either unimportant or can be conjured up at will. Both ideas are an illusion.

The "adult world" is in reality the life of maturity and responsibility in which all three-knowledge, understanding, wisdom-are carefully blended. Not all "older folk" seem to measure up at times, you say. You are probably right. That is no excuse for your believing that you can do any better by cutting short or treating irresponsibly your own preparation, and then launching forth "where angels fear to tread."

Seek out the "hidden treasures" as much as possible now, for by so doing you will render at the right time, the fullest service to your country, your loved ones, your own self, and, I personally believe, to "the Lord who giveth wisdom."

With sincere regards to
each student, and especially
to the "Class of '70"

The class of "'70" hopes that all the Future Classes enjoy their years at Blue Ridge as much as we have enjoyed ours.

Good Luck!

to dream the impossible dream,
to fight the unbeatable foe,
to bear the unbearable sorrow,
to run where the brave dare not go;
to right the unrightable wrong,
to love, pure and chaste, from a-far,
to try, when your arms are too weary
to reach the unreachable star!
this is my quest,
to follow that star,
no matter how hopeless,
no matter how far;
to fight for the right
without question or pause,
to be willing to march into hell
for a heavenly cause!
and I know if I'll only be true
to this glorious quest,
that my heart will lie peaceful and calm
when I'm laid to my rest.
and the world will be better for this:
that one man, scorned and covered with scars,
still strove with his last ounce of courage,
to reach the unreachable stars!

Blue Ridge, our Alma Mater,
Mountains we love to roam,
hills and streams.
Inspiring students to seek
for knowledge,
gladly our theme song we'll sing
to make you love her too.

Ignorance is being banished,
We'll always cherish memories
of thee.
So always cherish we'll dream
of dear old Blue Ridge
And try to come back
oft' in reverie.

Hi babe,
To my favorite
~~bud~~ bbosa. You're
a great guy even if you do
Some dumb things most of the time.
I'm not going to say I'll see you in the summer
because I probably won't seeing as how we're
going to be pretty busy. I want you to know
that you're a really cool kid and if you stay
half-way smart you might make it through
school. Don't do anything rash and I'll love
you forever (if you're lucky). I said before,
you're a great kid and you'll do fine as an
under classmen) I'll only be able to stick with
you for one more year so let's make the
most of it. God bless ya, punk, no one else
will. KEEP THE FAITH AND DON'T DO ANYTHING
I WOULDN'T DO.

Love ya,
Vicki
Your favorite
person.

Kent,

Here's wishing
a great freshman
all the luck in the world
(including this summer) that
you can possibly find. You do make
your years ahead of times to you.
Have 3 years ahead of times to you.
them the greatest. Good times to you.
